"The Best Index Provider for ETF-China Domestic" — The Asset，2015

"Best Index Provider" & "ESG Pioneer"——Professional Investment Awards，2018&2019

Tracking Market Trends | **Serving Investment Needs** | **Integrating Global Resources** | **Providing Chinese Solutions**

Index R&D

We cooperate with local governments, media, financial institutions and industry leaders, and launched more than **900** indices, covering China's stocks, bonds, funds and foreign exchange rates markets as well as overseas markets.

Index Licensing

We provide authorizations to domestic and international asset management companies to launch index funds. Currently, over 110 ETFs and index funds (with a combined historical AUM as high as **$15 billion USD**) are tracking our indices. We also provide Shenzhen Stock Exchange market data and bond valuation services to other international index providers.

Index Agent

We offer agent services like index market representatives for other stock exchanges and index providers (e.g. Euronext, DSE, PSE) by utilizing our expertise in China market.

Index Data

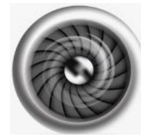
We provide proprietary data including index constituents, weights, corporate actions, ESG evaluation, industry classifications to support clients' investment strategy development.

THE “1+2” FLAGSHIP INDICES

Shenzhen Component

Shenzhen 100

ChiNext Index



Shenzhen Component (SZI)

Shenzhen Component index is designed to measure the performance of the 500 largest and most liquid A-share stocks listed and trading on the Shenzhen Stock Exchange.

- ✓ Available from 1991, SZI was the first component A-share stock index.
- ✓ Capturing about 60% coverage of available market capitalization of Shenzhen equities, creating an opportunity for investors to gain exposure to the fast-growing market and participate in the China’s new economy.

Shenzhen 100 (SZ100)

Shenzhen 100 comprises the 100 largest and most liquid A-share stocks listed and trading on the Shenzhen Stock Exchange. Shenzhen 100 Index is defined as the “fast-growing blue-chips index” because the 100 constituents have assembled those leading listed companies from both traditional industries and new economy industries.

- ✓ 78 of 100 constituents rank top 10% among their peers in corresponding industries, in terms of market cap or operation revenue.
- ✓ Comprised of the most prominent companies listed in SZSE.

ChiNext Index (CNT)

ChiNext Market is conduct to foster those innovative business and emerging industries. As the benchmark and flagship index of the ChiNext Market, the ChiNext Index comprises the 100 largest and most liquid A-share stocks listed and trading on the ChiNext Market of the Shenzhen Stock Exchange.

- ✓ Weight of strategic emerging industries is 80%.
- ✓ High-tech enterprises accounts for 90%.
